

# PROJECT STAFF

## Jordan Johnston, AIA, NCARB

### Project Manager

Recently becoming a fully-accredited architect, **WTA** Jordan has continuously honed his craft and remains at the forefront of the latest design trends and technologies. He has honed exceptional skills in graphics, renderings, BIM, and 3D design, allowing him to create captivating visualizations that enable our clients to truly envision the end product.

As a project manager for multiple projects, Jordan excels in overseeing the implementation of architectural solutions from conception to completion, ensuring that each project is delivered with utmost precision and excellence. Jordan's dedication to innovation and unwavering commitment to excellence is reflected in every aspect of his work, making him an inspiring colleague and an integral part of **WTA's** continued success.
